Senior:	\$10.00

## Curbside Pickup

Curbside pick is still available for our patrons to use. Books can be ordered from TRAC with your library card.

Tuesday	1:00 - 4:00
Friday	1:00 - 4:00

## ♥♥ Valentine's Day and Family Day are just around the corner... ♥♥

February is clearly about love, family, and friendship. How we celebrate these special days this year will certainly be different than in the past... Navigating through social distancing and gathering restrictions has been difficult; not being able to visit and bond with our loved ones has had a strong emotional and mental impact on many of us. Personal contact with family and friends is restricted; deeply missed is the warmth of heartfelt hugs and kisses, which are such a vital part of our being. Now, more than ever, it is essential that we find ways to spend quality time with our loved ones. So, let us take advantage of the options still available to us such as small outdoor gatherings.

We encourage everyone to do some type of outdoor activity with their loved ones.

Let's gather our families and friends around a campfire: have a wiener or marshmallow roast, drink a yummy hot chocolate, have a joyous sing-along.

Let's make snow angels or build snowmen with our children and grandchildren.

Let's go skating on the pond or outdoor skating rink.

Let's go tobogganing or snowshoeing or take a walk out in nature...

Let's do something this Family Day to rekindle that personal connection that we all so desperately need at this time.

**\*\*But please remember to stay safe\*\***

sanitize; wear a mask; keep 6 ft apart; and stay outdoors.

**THE FRIENDS OF THE FALHER LIBRARY WISH YOU ALL  
A VERY HAPPY VALENTINE'S DAY AND A JOY-FULL FAMILY DAY!!!**

**Bee A Friend**
