Donation of Used Personal Computers

The Friends of The Falher Library Society is the fundraising and public awareness group of the Falher Library/Bibliothèque Dentinger. The funds we raise assist our library in providing additional programs, book, equipment, events, projects, etc. Based on the library's tech consultant recommendation our library had to replace two of its public assess personal computers and this summer, the Friends were able to purchase 2 new PCs. We decided to donate the 2 older PCs to a non-profit organization.

On September 26, 2022 the Friends were pleased to donate its two used PCs to local non-profit organization, SARDA. We appreciate SARDA accepting to take them and hope these PCs will be useful to their organization.

Remembrance Day
