Staff Announcement

July 3, 2019

After almost 10 years, Jocelyne Gervais has resigned from her role as Library Manager, effective June 26th, and is planning to enjoy a well-deserved summer off.

We wish to thank Jocelyne for her significant contributions to the Falher Library/Bibliothèque Dentinger during her time as Library Manager, and we look forward to her future input and participation as a casual member of our staff.

Doreen Horvath has agreed to assume the role of Acting Library Manager, in addition to her duties as the Career Employment Resource Centre (CERC) Coordinator for the summer.

Maegan Morin will be working in the CERC role most Thursdays in July and August, and will also oversee and assist with the Summer Reading Program on Wednesdays.

Our returning summer student, Sidney Tardif, will be responsible for day-to-day Library operations in July and August.

In addition to continuing the Villa Beausejour Outreach program on the 2nd and 4th Tuesdays of July and August, Thérèse Gosselin will cover staff vacation time this summer.

Staffing roles and responsibilities are being reviewed by the Board this summer, and an update will be included with the September newsletter.

We extend our thanks to ALL staff for your extra efforts and professionalism to ensure the smooth operation of both the Library and CERC during this transition period.
