Thank you!

The Friends of the Falher library society are so appreciative of the support with our annual Easter bake sale.

Thank you to all that donated baking, gave cash donations, and purchased baking during the bake sale. The Friends were able to raise an un-bee-lievable \$1677.60, which assist us in supporting the Falher library/ Bibliotheque Dentinger.

This year we also had a toonie draw during the bake sale event. The toonie draw was made possible by the donation of a homemade memory bear. Thank you, Delores Garand for making and donating this unique bear to the Friends. Congratulations go the Beatrice Sutherland the winner of the memory bear, which was drawn after the bake sale.

The Easter coloring draw for the Easter basket has turned into an annual event. This basket which is filled with books, toys, and Easter treats is donated personally by the Friends' board members. This coloring page gives children the chance to win the contents of the Easter basket regardless of coloring ability. The coloring pages were on display in the window of the library, giving a special Easter flare during the bake sale. Congratulations go the Jacob Yaremko, this year's Easter basket winner.

With Gratitude,

Wendy Gagnon, President

Friends of the Falher Library Society
