**To our many volunteers - we couldn't do it without you.**

**THANK YOU!**

*Special thanks for their service to departing Library Board Directors Lindsay Brown and Lynn Farrell; to the students who dedicated their legacy hours to the Library; to everyone that generously donated their time and expertise to support Library operations, programming and the CFEP project; and last, but not least, to the Friends' Board and volunteers for their extensive fundraising efforts in 2019.*

**Finally, To Our Patrons and Clients, thank you so much for your ongoing support and for sharing your library stories with us, your families, friends and elected officials. We proudly serve our communities and your ongoing feedback helps us prioritize the services we offer in a resource-limited environment.**

**In 2020 we will be definitely NOT be asking you to Shhh! Instead, we will be asking for your advocacy, by actively sharing how the library makes a difference to you...**
