

Select A Course & Get Talking

The first time you login to Transparent Language, you will be at the course directory. Here you select the language course you want to begin.

To start:

1. Select the language you want to learn from the directory
2. Select the first **Learn** button in the Learning Path and work your way through the courses.

On the learning path page under **Practice** on the right, you can switch between listening, reading, speaking, and writing lessons. You can switch between your homepage to Browse, My Transcript, and Resources.

To return to the directory to chose another language:

1. Select the name of the language you are currently learning from the top left.
2. Select **+ More languages**.

To set personal goals:

1. Select the language course you want to work on.
2. Locate the **Goals** section on the right and select the 3-dots.
3. Select **Edit goal**.
4. Select your amount of time and **Set Goal**.

Questions

Select the question mark on the top right to access help documents, get contact information and give feedback.

What is Transparent Language?

Transparent Language is an online language learning system available to you through your local public library. Transparent offers access to 100+ foreign languages and ESL courses.

Each lesson combines real life situations and audio from native speakers with simple and clear instructions. The courses focus on grammar, pronunciation and alphabet learning.

Some language courses come with addition resources such as links to an online community that speaks the language, blogs to read, and video to watch.

...and even more!

Software & Devices

Transparent Language is offered via streaming on a browser. Simply make sure your browser is up to date and you are connected to the internet.

To use Transparent Language on your smartphone or tablet, you need the Transparent Language app. You can download this app for free from the Google Play and Apple App store on your devices.

To login to the app, you need to begin a language course on the browser and select the **Go Mobile** button that appears on the top right. A pop-up will give you your login credentials.

Access Transparent Language

It's easy to get started! All you need is a library card and an internet connection! To get access:

1. Go to your library website
2. Select **eResources** from the menu.
3. Select **Transparent Language**.
4. If you already have an account*, fill in the section under **Log In**. If you are new, select **Sign Up** and fill in your info.

*Transparent Languages uses the same login as RBdigital so if you ever created an account on RBdigital to read eMagazines or eAudiobooks, try that login first.
