## Beautiful Mother's Day Quotes to Show Mom Just How Much You Love Her

Instead of flowers, consider giving your mom what she really wants: the reminder of just how much you care for her. Get inspired with quotes from people who managed to capture exactly what a mother's love means.

"Motherhood is the biggest gamble in the world. It is the glorious life force. It's huge and scary - it's an act of infinite optimism." *Gilda Radner*

"Blessed is a mother that would give up part of her soul for her children's happiness." *Shannon Alder*

"Mothers were meant to love us unconditionally, to understand our moments of stupidity, to reprimand us for lame excuses while yet acknowledging our point of view, to weep over our pain and failures as well as cry at our joy and successes, and to cheer us on despite countless start-overs. Heaven knows no one else will." *Richelle Goodrich*

"They are not kidding when they say that mothers are strong women. We need to be strong in more ways than our children will ever know." *M.B. Antevasin*

"Mama was my greatest teacher, a teacher of compassion, love and fearlessness. If love is sweet as a flower, then my mother is that sweet flower of love." *Stevie Wonder*

"A mother's love for her child is like nothing else in the world. It knows no law, no pity, it dates all things and crushes down remorselessly all that stands in its path." *Agatha Christie*

"A good mother loves fiercely but ultimately brings up her children to thrive without her." *Erin Kelly*

"Mothers hold their children's hands for a short while, but their hearts forever." *Unknown*

"But behind all your stories is always your mother's story, because hers is where yours begins." *Mitch Albom*

"My mom always said I was beautiful, and I finally believed her at one point." *Lupita Nyong'o*

"My mother is my root, my foundation. She planted the seed that I base my life on, and that is the ability to achieve starts in your mind." *Michael Jordan*

"My mother has always been my emotional barometer and my guidance. I was lucky enough to get to have one woman who truly helped me through everything." *Emma Stone*

"The best place to cry is in a mother's arms." *Jodi Picoult*

"Motherhood: All love begins and ends there." *Robert Browning*
